

Northwind Fitness Club - Membership Agreement

This Membership Agreement (the "Agreement") is entered into between Northwind Fitness Club LLC ("Northwind", "we", "us") and the individual identified on the signature page (the "Member", "you"). This is a synthetic document created for software testing purposes only. It does not describe a real business.

1. Definitions

"Facility" means any Northwind location listed on our website. "Billing Date" means the calendar day of the month on which your membership started. "Renewal Term" has the meaning given in Section 4.

2. Membership

Your membership entitles you to use the Facility during posted opening hours, attend group classes subject to availability, and use locker rooms. Guest passes are not included. Membership is personal and may not be transferred to another person.

3. Fees and Payment

In exchange for membership you agree to pay a membership fee of \$29 per month, charged automatically to the payment method on file on each Billing Date. A one-time enrollment fee of \$49 is charged when this Agreement is signed.

If a payment fails, we will retry the charge up to three times over ten days. A late payment fee of \$10 may be added if the fee remains unpaid fourteen days after the Billing Date. Fees do not include applicable taxes, which are added where required.

3.1 Initial Commitment

This Agreement has an initial commitment period of 6 months starting on the date you sign (the "Initial Term"). You agree to pay the monthly membership fee for the full Initial Term even if you stop using the Facility. Early termination during the Initial Term is only available in the circumstances described in Section 5.3.

4. Automatic Renewal

After the Initial Term, this Agreement automatically renews for successive monthly periods unless cancelled in accordance with Section 5. Each renewal period is a "Renewal Term". The monthly fee for each Renewal Term is the fee in effect at the start of that Renewal Term.

We may change the monthly fee for future Renewal Terms by giving you at least 30 days written notice by email. If you do not agree to the new fee, you may cancel before the change takes effect and no new fee will be charged.

4.1 Freezing a Membership

You may freeze your membership once per calendar year for one to three months for a fee of \$5 per month. A frozen membership still counts toward the Initial Term.

5. Cancellation

You may cancel this Agreement at any time after the Initial Term. To avoid being charged for the next Renewal Term, cancellation must be submitted at least 14 days before the next Billing Date.

Cancellation requests must be made in writing through the member portal or by email to the address on our website. We will confirm receipt of your request by email within three business days. Verbal cancellation requests at the front desk are not accepted.

5.3 Early Termination

During the Initial Term you may terminate early only if you move more than 40 km from the nearest Facility, or if a physician certifies that you are unable to exercise for more than three months. Proof is required. An early termination fee equal to one monthly fee applies.

6. Refunds

Membership fees already charged are not refunded, except where required by law or where we are unable to keep the Facility open for more than fourteen consecutive days.

7. Personal Information

We collect your name, contact details, payment details and check-in history to operate the membership. Personal information may be shared with payment processors and service providers who help us operate the Facility, such as our access-control and email vendors. These providers may only use your information to provide services to us.

We do not sell your personal information. We may disclose information when required by law. Our full privacy notice is available on our website.

8. General

This Agreement is the complete agreement between you and Northwind about your membership. If any part of it is found unenforceable, the rest remains in effect. Notices to you will be sent to the email address on file.
